- [Green](#)

Discussion:

The communication link to XPOL-5 (which was lost ~20130611-1800 UTC) was restored at 20130612-1600 UTC. The radar was in standby mode during 20130612:1700-1900 UTC. XPOL-5 has re-started campaign scans at 20130612:1900 UTC.
